TRAINING FEES

We have always made an effort to keep staff training fees as low as possible, and this year is no different. Fees help to cover a small portion of what it costs to run an exceptional staff training experience for you.

If fees are a deterrent or an issue for you, don't let them keep you from applying. We do offer need-based scholarships to some staff - just ask Mitchell about it :)

2012 FEES

Returning Staff
\$50.00

New Staff (2012)
\$90.00
