

Camper Sponsorship Form

Here at Camp Peniel, we believe that finances should not prevent any child from being able to attend summer camp. Because of this, we do our best to price our camps well below the actual cost with the difference coming from many individual supporters, government grants, and our local churches. In fact, the registration fees that we receive only cover about 50% of the cost of running a week of camp. Nevertheless, for some families the registration fees are simply out of reach. For that reason, caring members of our local community contribute to a special fund called our "Send a Kid to Camp Fund." Camp Peniel is happy to authorize sponsorship up to two-thirds of the registration fee because of financial need. If you desire to experience God at Cedar Lake but you do not have the means, please consider our Camper Sponsorship program. **Feel free to call at any time to talk to one of our friendly staff if you have any questions!**

Who is Eligible?

Everyone who feels that the cost of camp would keep them from sending their child to a camp experience is open to apply. Our scholarship program can waive as much as you need to make it affordable, up to two-thirds the cost of the camp. (See "The Fine Print" below)

How to apply?

The process is straightforward:

1. We ask that anyone who intends to apply for sponsorship to first approach a local church and ask if they would be willing to sponsor your child to go to camp. If they are unable to assist at this time, please continue with this sponsorship application.
2. Fill out the application form
3. Attach completed form to a camp registration (Please note, neither application will be processed until both are received).
4. Send the completed application package to the Camp Peniel office (by mail, fax, or in person).

Then What?

After we receive the completed application, the scholarship application will be processed with the registration. Applicants will be notified by the camp office upon the approval for their application. Confidentiality is ensured.

The Fine Print:

Camp Peniel reserves the right to approve or deny sponsorship requests at their discretion. Camp Peniel reserves the right to attach conditions to, modify, or discontinue this program as necessary.

Sponsorships cover up to two-thirds of the cost of the registration fee – extra purchases (Tuck money, photos, T-shirts) are NOT included. No other discounts (e.g. sibling, multi-week) can be combined with a sponsorship.
